Fall 2017 Grief Support Groups

Wayne, Oakland, Macomb, Livingston & Washtenaw counties

About Our Grief Support Groups

Hospice of Michigan's grief support groups provide a safe and supportive environment for participants to express their feelings and better understand the grief process. These services are offered at no charge to any member of our community mourning the loss of a loved one. Registration is required for all groups unless indicated otherwise. Below is a brief description of our grief support offerings.

Please note: groups will be cancelled due to inclement weather when public schools and their activities are closed/cancelled within the area where the group is held or when there is a severe weather warning.

JOURNEY THROUGH GRIEF

This program is a series of weekly sessions offering insights and coping skills for an adult's journey through grief. Practical handouts are provided with each session. Advance registration is required.

LIVING ON

These are on-going groups where grief and loss topics are addressed as they arise, depending upon the interests of those attending the group. The focus of these groups is to express feelings and experiences related to the loss in a supportive, caring and non-judgmental environment.

MEMORIAL SERVICES

Hospice of Michigan offers traditional memorial services and events, such as Fly and Remember, to honor and celebrate the lives of those we have lost.

LOSS SPECIFIC PROGRAMS AND GRIEF SEMINARS

These are usually one day grief support programs which focus on a specific loss experience or topic. They provide an opportunity to learn as well as receive supportive guidance.
