Hospice of Michigan to Honor Michigan Veterans at American House in Southfield

Southfield, Michigan, May 13, 2014 – Hospice of Michigan and American House Senior Living Communities will honor veterans with a special pinning ceremony in Southfield on Thursday, May 22.

The event will be held from 2-2:45 p.m. in honor of veterans living at 27577 Lahser Road. Those who served will be presented a certificate reflecting their branch of military service and an American flag pin honoring and thanking them. A military honor guard will salute the veterans during the ceremony.

HOM and American House expect to pin more than 20 veterans. The ceremony is open to the public and **media are welcome to attend.**

“Many military veterans have never been formally thanked for their service to our country,” said Dr. Michael Paletta, executive director of the Maggie Allesee Center for Innovation within the Hospice of Michigan Institute. “Our pinning ceremonies not only bring dignity to this time of their lives by thanking them for serving their country, they also provide a good reminder for families and caregivers about how special these people are.”

Hospice of Michigan is a Level Four partner in the We Honor Veterans program, a partnership between the Veterans Administration and the National Hospice and Palliative Care Organization, or NHPCO. The program was developed to enhance care for veterans at the end of life and includes both educational and ceremonial elements.

Participating hospices receive training to recognize and treat the unique issues facing military families, provide access to community resources, and facilitate cooperation between VA health agencies and hospice services. Level Four status signifies the organization has met the highest standards set by the VA and NHPCO for this national program. Paletta, who is also a retired Colonel and flight surgeon, serves as the executive champion of We Honor Vets for Hospice of Michigan.

About Hospice of Michigan

A nationally recognized leader in end-of-life care, Hospice of Michigan is the original – and largest – hospice in the state. The non-profit cares for more than 1,400 patients each day in 56 counties across Michigan, raising more than \$4 million each year to cover the cost of care for the uninsured and underinsured. HOM offers a broad range of services to enhance the quality of life at the end of life, including At Home Support™, our advanced illness management program, community-based palliative care and pediatric care programs. HOM provides grief support and

counseling, caregiver education and support, and education programs for physicians and healthcare professionals through its research, training and education arm, the Hospice of Michigan Institute. For more information, call 888.247.5701 or visit www.hom.org.
