## **Hospice of Michigan to Honor Michigan Veterans**

**Detroit, May 14, 2014** – Hospice of Michigan will honor WWII veterans with a special pinning ceremony in Taylor on Friday, June 6.

The event will be held from 2-3 p.m. at American House, 25250 Eureka Rd. This is a special ceremony dedicated to Veterans of WWII. Each veteran will be presented a certificate and an American flag pin honoring and thanking them for their military service.

HOM and American House expect to pin more than 20 veterans. The ceremony is open to the public and **media are welcome to attend.**

“Many military veterans have never been formally thanked for their service to our country,” said Dr. Michael Paletta, executive director of the Maggie Allesee Center for Innovation within the Hospice of Michigan Institute. “Our pinning ceremonies not only bring dignity to this time of their lives by thanking them for serving their country, they also provide a good reminder for families and caregivers about how special these people are.”

Hospice of Michigan is a participant of the We Honor Veterans program, a partnership between the Veterans Administration and the National Hospice and Palliative Care Organization, or NHPCO. The program was developed to enhance care for veterans at the end of life and includes both educational and ceremonial elements.

Participating hospices receive training to recognize and treat the unique issues facing military families, provide access to community resources, and facilitate cooperation between VA health agencies and hospice services. As a Level Four WHV partner, signifying the organization has met the highest standards set by the VA and NHPCO for this national program, HOM has trained its care teams in 56 counties across Michigan. Paletta, who is also a retired Colonel and flight surgeon, serves as the executive champion of We Honor Vets for Hospice of Michigan.

HOM’s pinning ceremonies are open to the public, and media are welcome to attend.
