**Carla Hogan Joins Hospice of Michigan as
Executive Assistant of Governance**

Detroit, March 12, 2015 – Carla Hogan has joined Hospice of Michigan as executive assistant of governance.

In her new role, Hogan will provide executive support to the Hospice of Michigan Board of Trustees along with the organization's other boards and committees by managing day-to-day operations, facilitating meetings and coordinating events. Additionally, Hogan will be responsible for managing board communications, preparing agendas and scheduling.

Hogan brings extensive administrative and board experience to Hospice of Michigan. Most recently, she was the coordinator for economic development at the Detroit Regional Chamber. In this role, she was responsible for MICHauto, the Chamber's automotive accelerator, as well as managing economic development committees and coordinating domestic and international delegations.

Prior to the Chamber, Hogan was responsible for supporting the board of directors for the Southeast Michigan Beacon Community, which was responsible for strengthening the local health care infrastructure for information technology in an effort to reduce diabetes.

Hogan holds a bachelor's degree with a concentration in office administration and information technology from Baker College.

She currently resides in Detroit with her husband, Tom, and their children, Brandon and Skyler.

About Hospice of Michigan

A nationally recognized leader in end-of-life care, Hospice of Michigan is the original – and largest – hospice in the state. The nonprofit cares for more than 1,700 patients each day, raising more than \$4 million each year to cover the cost of care for the uninsured and underinsured. HOM offers a broad range of services to enhance the quality of life at the end of life, including At Home Support™, our advanced illness management program, community-based palliative care and pediatric care programs. HOM provides grief support and counseling, caregiver education and support, and education programs for physicians and health care professionals through its research, training and education arm, the Hospice of Michigan Institute.
