WHY YOUR SUPPORT MATTERS

As an independent nonprofit hospice organization, your philanthropic support is essential to deliver the programs and services that bring dignity, peace, and quality of life to patients and families at end-of-life. The We Honor Veterans program demonstrates this commitment.

At Hospice of Michigan, one in five patients is a veteran. Veterans often carry experiences and feelings from their military service that present unique challenges at the end of life.

We Honor Veterans is a program which recognizes the specialized care that America's Veterans and their families need, providing compassionate guidance, educational tools and supportive resources to guide them through a peaceful end-of-life journey.

Hospice of Michigan proudly serves veterans at end-of-life in many ways:

- Streamlined admission process for veteran patients
- Specialized education for staff about veterans' end-of-life needs
- Coordinating care with Veterans Affairs and other organizations
- Providing support through veteran-to-veteran volunteer programs
- Celebrating their service with personalized pinning ceremonies

Your support at Cheers for Charity VIP Night is needed to help serve our courageous veterans—to honor their service—at a time when they need it most.
