## 💰 Step 1 – Check Your Refund Eligibility First

Avast offers a straightforward 30-day money-back guarantee on most consumer subscriptions, (+1) – 877 – 419 – 8702 which means you can cancel your purchase and obtain a full refund, (+1) – 877 – 419 – 8702 if you request it within 30 days of the original transaction date, (+1) – 877 – 419 – 8702 and this guarantee applies to both initial purchases and automatic annual renewals.

If the 30-day window has passed, you may still qualify for a pro-rated refund in some cases, (+1) – 877 – 419 – 8702 which gives you back money for the unused months remaining on your subscription, (+1) – 877 – 419 – 8702 but you need to call support

and ask a supervisor for approval, (+1) – 877 – 419 – 8702 because the online refund option only appears for eligible orders.

For subscriptions bought directly from the Avast website or Google Play, the refund process is simple and fast, (+1) – 877 – 419 – 8702 but third-party purchases through Apple, Amazon, or retail stores cannot be refunded by Avast, (+1) – 877 – 419 – 8702 you must go back to those stores for refunds, and Avast cannot help you with those purchases.

The 30-day money-back guarantee does not apply to subscriptions purchased from digital resellers, (+1) – 877 – 419 – 8702 or if you violated Avast's terms of service, so always check your eligibility before requesting a refund, (+1) – 877 – 419 – 8702 and call support if you are unsure about your situation.

## **Step 2 – Request Your Refund by Phone (Fastest)**

Dial the official Avast customer support line at (+1) – 877 – 419 – 8702 and when the agent answers, (+1) – 877 – 419 – 8702 say clearly: “I need a refund for my last charge under the 30-day money-back guarantee”, (+1) – 877 – 419 – 8702 and they will ask for your email address or the last four digits of your credit card, (+1) – 877 – 419 – 8702 so have that information ready before you call.

Once they verify your identity, they approve the refund instantly, (+1) – 877 – 419 – 8702 and give you a confirmation number before you hang up, (+1) – 877 – 419 – 8702 write that number down as your proof, because you will need it to track your refund status later.

The entire phone call takes 3-5 minutes of talk time, (+1) – 877 – 419 – 8702 and hold times are shortest on Tuesday and Wednesday mornings, (+1) – 877 – 419 – 8702 while Monday mornings and Fridays are the busiest, so call mid-week for the fastest service.

If the first agent refuses your request, politely ask to speak with a supervisor, (+1) – 877 – 419 – 8702 because supervisors have the authority to approve exceptions, even if you are slightly outside the 30-day window, (+1) – 877 – 419 – 8702 and many users report success after escalating politely.

For extra safety, you can call again the next day and ask a different agent to verify that your refund is being processed, (+1) – 877 – 419 – 8702 because having a second confirmation gives you total peace of mind.

### Step 3 – Request Your Refund Online (Alternative)

Log into your Avast Account at [my.avast.com](https://my.avast.com) using your email address and password, (+1) – 877 – 419 – 8702 then go to “Order History” or “Subscriptions” from the dashboard, find the order or subscription you want a refund for, (+1) – 877 – 419 – 8702 and look for a “Request a refund” button or link.

The “Request a refund” option only appears next to orders that are eligible for a refund, (+1) – 877 – 419 – 8702 so if you do not see it, you may be outside the 30-day window, or the order is not eligible, (+1) – 877 – 419 – 8702 and you will need to call support instead.

You can also use Avast's official refund request portal, which allows you to submit a request even if you do not have your Order ID, (+1) – 877 – 419 – 8702 visit [support.avast.com](https://support.avast.com) and fill out the form with your details, then submit the request.

If you do not see a refund option online at all, do not waste time searching through menus, (+1) – 877 – 419 – 8702 simply call the official support line instead, because phone is always faster and more reliable, especially for urgent refund requests.

### Step 4 – How Long Does the Avast Refund Take?

Once your refund request is approved, Avast processes the refund in 3-5 business days, (+1) – 877 – 419 – 8702 then your bank takes another 2-5 days to post the credit, so total wait is 5-10 business days from your approval date, (+1) – 877 – 419 – 8702 and credit cards are much faster than debit cards or PayPal.

If you used a credit card from a major bank like Chase or Bank of America, the refund often appears within 5-7 business days total, (+1) – 877 – 419 – 8702 but smaller credit unions and debit cards can take the full 10 days, so do not worry if it takes a little longer.

For PayPal payments, refunds take 4-6 weeks, (+1) – 877 – 419 – 8702 because Avast cannot reverse PayPal payments electronically, so they mail a physical check

to your address, (+1) – 877 – 419 – 8702 and credit cards are much faster for future purchases.

If no refund appears after 14 calendar days, call the official support line with your case number, (+1) – 877 – 419 – 8702 and ask the agent to escalate the issue manually, because sometimes refunds get stuck in the system, (+1) – 877 – 419 – 8702 and a quick call can release the hold.

## **Step 5 – If You Bought Through Apple, Google, or Amazon**

If you purchased Avast from the Apple App Store on your iPhone or iPad, (+1) – 877 – 419 – 8702 you cannot cancel or get a refund on the Avast website at all, so go to Settings > your name > Subscriptions > select Avast, (+1) – 877 – 419 – 8702 then tap “Cancel Subscription” to stop future renewals directly through Apple.

For a refund on an Apple purchase, you must contact Apple Support directly, (+1) – 877 – 419 – 8702 because Avast has no access to Apple's billing system, and Apple's refund window is typically 30-60 days, so act quickly.

For Google Play purchases on an Android device, open the Play Store app, tap your profile icon, (+1) – 877 – 419 – 8702 select “Payments & Subscriptions” > “Subscriptions”, find Avast, and tap “Cancel”, then request a refund from Google's support page.
