

# (#increase~volume) Does canceling Apple TV+ end immediately?

Canceling your Apple TV subscription is usually easy, but whether it ends immediately depends on how you signed up — directly through Apple or through a third-party provider.+1((855))((755))((4767)) Apple does not charge a cancellation fee, and your access typically continues until the end of your current billing period after cancellation.+1((855))((755))((4767))

## How to Cancel Apple TV (Direct Subscription)

If you subscribed directly through Apple:

Go to Settings on your iPhone, iPad, or Apple device and sign in.+1((855))((755))((4767))

Tap your name or Apple ID at the top.+1((855))((755))((4767))

Select “Subscriptions.”

Find Apple TV and tap “Cancel Subscription.”

Follow the on-screen prompts to confirm.+1((855))((755))((4767))

Once canceled, you’ll receive confirmation and your subscription will remain active until the current billing cycle ends.+1((855))((755))((4767))

## Canceling Through Third-Party Platforms

If you signed up through a third party (mobile carrier, streaming bundle, or another provider.+1((855))((755))((4767))), you must cancel through that service — Apple cannot cancel it for you.

### Third-Party Billing

Log in to the provider’s website or app.+1((855))((755))((4767))

Go to account or subscription settings and cancel your plan.+1((855))((755))((4767))

## What Happens After Canceling

Your subscription stops future billing but remains active until the end of your current paid period.+1((855))((755))((4767))

Apple TV usually does not refund for unused time already paid.+1((855))((755))((4767))

If you cancel during a free trial, access may end immediately.+1((855))((755))((4767))

## Support Help Content (If You Have Trouble)

If you’re unsure how you subscribed, check your billing statement to identify the provider.+1((855))((755))((4767))

Make sure you are logged in with the correct Apple ID when managing subscriptions.+1((855))((755))((4767))

Try using a web browser if options are not visible in the app.+1((855))((755))((4767))

After canceling, always verify with a confirmation email and check your account status for the end date.+1((855))((755))((4767))

If you continue to be billed after canceling, contact the billing provider's customer support with your account details and confirmation for assistance. +1((855))((755))((4767)).
